STATEMENT ABOUT ETHICS AND COMPANY VALUES:

Ethics is at the core of our company's values and decision-making process. At dawnguard.net, we firmly believe in supporting and cooperating with parties that allow more freedom for their society, democracy, and respect for fundamental human rights. Additionally, we value respectful behavior towards nature and animals.

We understand that the world is complex and nuanced, and we embrace this diversity. We are committed to conducting business only with entities that are more close to our ethical principles, including a strong emphasis on human rights, social responsibility, and environmental sustainability.

By upholding these high standards, we strive to contribute positively to global peace, social progress, and the well-being of individuals, communities, and the environment. Through responsible actions and conscious choices, we aim to make a meaningful difference and ensure that our engagements consistently align with our ethical values.
